

“CONGRATULATIONS TO OUR GYMNASTS”

A number of our gymnasts, past and present, have progressed successfully from schools' floor and vault gymnastics to compete for their clubs over four disciplines, floor, vault, beam and bars, and reach the standard to participate in the English and in some cases British Championships.

The majority of these girls started their gymnastics careers competing for their schools in our ISGA championships. Some of them continue to do so, and Sonia is a current ISGA champion.
