Insurance: By entering this event, you confirm that your school has insurance in place to cover pupils, staff, volunteers and anybody else representing your school at this event. ISA and Adcote School does not carry insurance to cover anybody representing your school at this event.

Member of Staff's Commitment: Once the Closing Date has passed in January, a number of processes are put into operation and commitments by the host school are made, including financial commitments. Therefore the organisers are put into a very difficult position if any schools withdraw. **You are expected to contact the Technical Administrator personally, before you make a decision, if you really feel that you have no alternative but to withdraw a team**

Photography: Official professional photographer/s will be invited to attend the championships, which by its very nature, is in the public arena. When entering for the event the schools, parents and participants acknowledge this fact, which may result in the recording of his/ her image. The professionals' equipment is designed to take action shots without flashlight. The contact prints are displayed and can be selected, printed and purchased at the event. If any parents do not wish their child to be photographed, eg. at the Presentation, it is left to individual schools to ensure that the child is removed before team photos are taken. The organisers cannot take responsibility for this. There will be a camera register which has to be signed by all spectators and staff if they intend to take photos on a camera, video or mobile device.

No flash photography is allowed during the competition by spectators as this is dangerous for the gymnasts.

Please email this entry form asap, and **before Thursday 24 January 2019**

(we may need to operate a 'first come first served' system if oversubscribed or if practical, move a section to the day before)

Privacy Notice

Please be aware of your organisation's policy with regards to personal data and GDPR. When signing up for an ISA sporting event you agree that we may process your data for administration purposes of the sport and event. We retain personal data only for a legitimate and lawful reason and only for so long as necessary. Currently, we retain all data securely to enable participation selection, personal bests and championship records for future events. Participant data is edited post-event, leaving an initial and surname on results while also removing the date of birth. ISA sports data and results are handled by our partner's Squad in Touch.

If you have any specific queries about our record retention periods or wish to request that your personal data is considered for erasure, please

contact isa@isaschools.org.uk. A further list of activities where the data may be used and the organisations with which data may be shared is provided within our [privacy statement](#)
