

Milano Pro Sport is delighted to be sponsoring ISGA and we look forward to seeing everyone at the ISGA competitions.

I am sure that most of you are aware that Milano makes all its gymnastics wear at its own factory in Preston, Lancashire where we run a complete operation from the initial enquiry, design, and manufacture through to distribution all over the world. As such it makes a really interesting case study for anyone with an interest in business and of course the factory is fascinating for anyone with a passion for gymnastics.

As part of our Sponsorship I am pleased to let you know that if you would like to come over to Preston I will be happy to show you round our factory and give you an insight into what goes into designing and making the leotards that are worn from gymnasts taking their first tentative steps through to fantastic designs that have been worn by World and Olympic champions.

I do hope that you will be able to take advantage of this opportunity and look forward to hearing from you to arrange your visit.

Kind regards

Neil Fox
Managing Director
