1. GENERAL RULES FOR ALL THREE 2 PIECE CHAMPIONSHIPS

1.1 COMPETITION FORMAT

There will be three separate competitions running at the same time at the 2 Piece Championships. Please note the three separate sections in these rules, under the different coloured headings:

- 1) [The Girls 2 Piece Premier Championships and Qualifier for the 5 Piece Premier National Championships.](#)
- 2) [The Girls 2 Piece Challenge Championships.](#)
- 3) [The Boys 2 Piece Championships.](#)

Each team will perform the following:

1. Individual Set Floor – 5 gymnasts.
2. Voluntary Vault – 5 gymnasts.

1.2 TEAMS

- a) A team may consist of 4, 5 or 6 gymnasts, from the same school. Where 6 gymnasts make up a team only 5 can perform on each apparatus with the top 4 scores on each discipline counting.
- b) **In the Girls Championships:** Girls in the Under 9 age group have no lower limit. It is possible to make up a team with up to two gymnasts who are under age in the **U10 and U11** age groups **only**. Very Small Schools may appeal in writing to the I.S.G.A. Chairman if they wish to include more than two gymnasts competing out of age. **Girls competing in the Under 13 age group must be 11 or 12 years old on 1st September that academic year.** Girls competing in the Under 15 or Over 13 age groups must be 13 years or over on 1st September that academic year.
- c) **In the Boys Championships:** It is possible, **in any age group**, to make up a team who are under age. If necessary all members of the team can be under age. No boys over the age limit are allowed to compete in that team.
- d) Gymnasts are able to compete in a different age group at the 2 Piece Championships to the 5 Piece or the 4 Piece Championships in the same academic year.
- e) The scores will be added together to produce an Individual and a Team score.
- f) No school may enter more than the allotted six gymnasts.
- g) 'B' teams are not eligible.
- h) A school may not enter an individual except in an invitation All Stars Team if one is on offer.
- i) Once a team has started its first discipline no reserve may take part. The team still has four scoring gymnasts.

1.3 AFFILIATION

Affiliations are due from 1st June each year, to allow schools to submit their fees and be allocated a **School affiliation number**. The affiliation number must be quoted on all entry forms otherwise the entry is invalid.

Affiliation forms can be obtained from the General Secretary by emailing: administrator@isgagymnastics.org

A sample copy only can be found on the website.

1.4 ELIGIBILITY

1. For details of eligibility for [The Girls 2 Piece Premier Championships and Qualifier for the 5 Piece Premier National Championships.](#) See No. 2:2 on page 5.
2. For details of eligibility for [The Girls 2 Piece Challenge Championships.](#) See No. 3:2 on page 10.
3. For details of eligibility for [The Boys 2 Piece Championships.](#) See No. 4:2 on page 15.

1.5 HOST SCHOOLS

Host schools must consult and agree with the **Competition Secretary** at least one month before a competition, **if possible**, with the following information:

1. The exact height, as near as possible to the minimum height prescribed, that the voluntary vaults will be for each age group. Measurements to be taken **vertically** from the floor to the vault top in a straight line.
2. What the length of the run-up, within the customary parameters, will be for each vault.

1.6 ENTRY FORMS

Entry forms can be obtained from the General Secretary by emailing: administrator@isgagymnastics.org

A sample copy only can be found on the I.S.G.A. website.

1.7 SPECIAL PROVISION FOR VERY SMALL SCHOOLS

If small schools wish to apply for Very Small School Status for the current season, they must use the application form which can be downloaded from the I.S.G.A. website: <https://www.isgagymnastics.org/small-schools-form/> It is found on the Home page under 'More Information'. The form explains the criteria which must be applied. No other exemptions are permitted. **Your school's status needs to be confirmed by the I.S.G.A. Chairman before applying to enter any competition.**

1.8 DISCLAIMER

A disclaimer form will be emailed to each school from the I.S.G.A. Administrator. The coach and their Head Teacher are required to sign and return a copy of this disclaimer, by post to the General Secretary, when they first return a competition entry form. The disclaimer is valid for one academic year. **No school will be allowed to compete in a competition without a returned disclaimer form.** Schools can also download a disclaimer form from the I.S.G.A. website: <http://www.isgagymnastics.org/administration/annual-disclaimer/>

1.9 PRIVACY POLICY

Please be aware of I.S.G.A.'s Privacy Policy with regards to personal data. In particular data regarding gymnasts' information. This can be found in section 5 of the I.S.G.A. Privacy Policy. When signing up to an I.S.G.A. event you agree that I.S.G.A. may process your and your gymnasts' data, for example date of birth, for administration purposes for the event. They retain personal data only for a legitimate and lawful reason and only for as long as is necessary.

Your pupils' names will appear in the programme and in scores/results of the competition and the results displayed on the I.S.G.A. website. They may be photographed or their name announced at the competition. If a parent requests anonymity for a competitor, the onus will be on the school's teacher/coach to request this in writing beforehand from the Host Organiser and the Competition Secretary. They must also ensure that this is adhered to throughout the event. This Privacy Policy can be found on the I.S.G.A. website: <https://www.isgagymnastics.org/wp-content/uploads/2018/05/ISGA-Final-Privacy-Policy-Word.pdf>

1.10 GENERAL COMPETITION RULES

1. The team should be uniformly dressed in **matching leotards**. Deduction 0.1 per gymnast **per apparatus**.
GIRLS: Under 13, Under 15 and Over 13 gymnasts may or may not wear matching gymnastics shorts over their leotards. **Under 9, Under 10 and Under 11 gymnasts may not wear shorts.** A coach of a physically mature Under 11 gymnast may request from the Competition Secretary for this gymnast to wear shorts to protect her modesty. **That coach may also request for the whole of that Under 11 team to wear shorts if the coach felt it was important for that one gymnast not to feel conspicuous.**
BOYS: Either matching leotards and shorts or PE shirt which must remain tucked into shorts. **No boys' gymnastics trousers are permitted for floor and vault work.** Any boy wearing trousers will be asked to remove them and replace them with shorts, before they are allowed to compete.
3. Gymnasts should not pull down their clothing e.g. leotard whilst being judged. Deduction 0.1
Underwear (including sports bras) if worn, should not show. Deduction 0.1. Coaches must ensure that their gymnast's leotards fit correctly to preserve modesty. **Deduction 0.3 from gymnast's final score.**
4. **Bandages and supports are allowed but should be skin coloured.** Deduction 0.1.
5. **Leggings for religious reasons are allowed but must be black and worn over their leotard. String bracelets for religious reasons must be covered by skin coloured tape or a matching sweat band.** Deduction 0.1.
6. Hair should be tied back neatly. Deduction for untidy hair 0.1. No jewellery in any form, including small ear studs. Deduction 0.1. **If ear studs are not able to be removed, they must be covered with skin coloured tape.** No long nails or nail varnish. Deduction 0.1
7. All teachers and coaches are required to wear professional attire. No long, coloured nails or jewellery of any type, with the exception of a plain wedding ring. Hair should be off the face and long hair tied back. Watches that might scratch a child, if worn should be covered by a sweat band or similar. **The coach may receive a deduction of up to 0.3 which will be deducted from the final score of each of the coach's teams.**
8. Girls are NOT allowed to remove any part of their leotards in public. This has been noted in particular by both male spectators and judges over the past years and is both an embarrassment and a safeguarding issue. The gymnast and her coach may have sanctions brought against them. **See 'Catch all' rule No. 17 on page 3.**
9. Teams must line up before the judging panel, at the start and end of each discipline.
10. Each gymnast must present to the judges at the start and finish of his/her individual floor and vault.
11. **Gymnasts may perform in any order on the Voluntary Vault or the Set Floor. The gymnast's number must be shown or given to the judge before competing.**

12. The gymnast performs his/her Set Floor once only and has two attempts at the Voluntary Vault, unless in the judge's opinion there has been outside interference. Gymnasts who exit from floor routines part-way through will not be permitted to start again.
13. There will be a timed warm-up of at least 3 minutes per school on the set floor. **If the set floor mat is shared**, the older age group team always warm up for the first 3 minutes. The older age group will also compete first unless they have fewer than 5 gymnasts, in which case the team with the most gymnasts **will warm up first and compete first**. There will also be a timed warm-up of at least 3 minutes for each school on the vault discipline, with the **older age group team warming up first and competing first if the run-up is shared**.
14. If a schools pulls out of a competition, after the competition draw has been published, without good reason, **the entry fee for each team withdrawn will be forfeited**. If a school does not return a trophy in time or it is damaged or not engraved, a £50 fine will be imposed on that school. That school will also be responsible for all costs involved in getting that trophy to the new winning school shortly after the competition. If a trophy is lost or damaged a replacement must be paid for.
15. **The judge's decision will be final and no video evidence will be considered under any circumstances.**
16. **No person may use any apparatus without a suitably qualified coach present. Teachers and coaches are responsible for their gymnasts' safety at all times.**
17. 'Catch all' rule. This is to cover a circumstance that is not in the I.S.G.A. rules. It means that if there is a problem which is brought to the Technical Director or the Head Judge that is not specified in the rules but arises during a competition, the sanction would be up to **0.5 deducted from where appropriate**. This will be at the discretion of the Head Judge and/or the Technical Director. An explanation will be given to the coach.

NOTES TO COACHES: As teams only have a 3 minute warm-up before being judged and the mats are limited (i.e. 5 gymnasts on a 12 x 2 metre set floor strip), teachers are advised to prepare this warm-up time in advance during training, to ensure maximum benefit to the pupils at the competition. Likewise on the vault, putting gymnasts together in springboard distance order and factoring in the time needed to change the vault heights, if desired, during the 3 minute warm-up. If time is taken to practise these specific short warm-up periods at school, gymnasts will feel more prepared for the competition.

2. THE GIRLS 2 PIECE PREMIER CHAMPIONSHIPS & QUALIFIER FOR THE 5 PIECE

2.1. AGE GROUPS

Competitions shall be held in the following age groups:

- a) An under 9 competition: Under 9 on 1st September of current academic year *
- b) An under 10 competition: Under 10 on 1st September of current academic year *
- c) An under 11 competition: Under 11 on 1st September of current academic year *
- d) An under 13 competition: **11 or 12 years old** on 1st September of current academic year *
- e) An under 15 competition: **13 or 14 years old** on 1st September of current academic year *
- f) An over 13 competition: Over 13 on 1st September of current academic year *

*i.e. midnight on 31st August.

Pupils who are being taught in classes lower or higher than their chronological age at their school for any reason, must compete in their correct age group as shown above.

2.2. ELIGIBILITY

1. Under 10, 11, 13, **15** and over 13 teams placed in the top 6 positions in the relevant age groups in the previous season's 5 Piece Premier National Championships, with 'relevance' being determined according to the 5 Piece eligibility criteria, are not eligible to compete in the Girls 2 Piece **Premier** Championships or the **2 Piece Challenge Championships**.
2. Under 9 teams have no restrictions. All under 9 teams are eligible and may need to qualify if they wish to compete in the 5 Piece Premier National Championships. Qualification will be required if more than the allocated number of teams apply in the under 9 age group.

2.3. THE QUALIFIER

When necessary, the Girls 2 Piece **Premier** Championships becomes a 2 tier competition. It is a Championships in its own right, but is also used as a qualifying competition for the Girls 5 Piece Premier National Championships in March, if more than the allocated number of teams apply in a particular age group.

Teams who do not intend to enter the 5 Piece Premier National Championships may still enter the 2 Piece **Premier** Championships.

All teams entering the 5 Piece Premier National Championships will be allocated a place in the Championships unless the number of schools applying in that age group, exceeds the quota of teams allowed. Teams who do not have automatic entry will then be required to qualify. The qualifying process takes place at the I.S.G.A. 2 Piece Premier Championships in the autumn.

In the event of a tie in the 2 Piece **Premier** Championships, where it may matter about placings when qualifying for the Girls 5 Piece Premier National Championships, the totals of the teams' top 4 vault scores will be compared. In the case of this being tied then the decision will go on the totals of the top 3 vault scores and so on.

Qualifying for the 5 Piece Championships:

Under 9 Championships: All teams have to qualify **unless there are less than 12 entries**.

Under 10 Championships: The top 6 teams in the preceding under 9 age group at the 5 Piece Premier National Championships automatically qualify. Everyone else will need to qualify if there are more than 16 entries.

Under 11 Championships: The top 10 teams in the preceding under 10 age group at the 5 Piece Premier National Championships secure a place. Everyone else will need to qualify if there are more than 16 entries.

Under 13 Championships: The top 10 teams in the preceding under 13 age group at the 5 Piece Premier National Championships secure a place. Everyone else will need to qualify if there are more than 16 entries.

Under 15 Championships: The top 6 teams in the preceding under 15 age group at the 5 Piece Premier National Championships secure a place. Everyone else will need to qualify if there are more than 12 entries.

Over 13 Championships: The top 10 teams in the preceding over 13 age group at the 5 Piece Premier National Championships secure a place. Everyone else will need to qualify if there are more than 16 entries.

2.4. RULES

SET FLOOR: As per the I.S.G.A. Girls 5 Piece Premier National Championships rules.

VOLUNTARY VAULT: As per the I.S.G.A. Girls 5 Piece Premier National Championships rules with the exceptions that no vault more difficult than a handspring may be performed and the tariffs are slightly upgraded.

2.5. VOLUNTARY VAULT

- A vaulting horse will be used widthways only.
- Two vaults to be performed from the list below. **Each vault has a different tariff.** The vaults may be the same or different. Coaches may request the gymnast's first vault score, before the second vault is taken.
- Only the vaults indicated below may be performed. Any other vault will be a void vault.**
- Judges will add up any deductions made and then take this figure away from the tariff of the vault i.e. In a straddle vault the deductions would be deducted from 9.50 to give a final score.
- Vaults which do not actually go up/down to the correct height will be set at the lower height. Coaches have the choice to raise the vault to a higher setting if they wish.
- Vault landing deductions, other than an actual fall will be up to a maximum of 0.8.**
- A fall on landing will be a deduction of 1.0.**
- Below are the minimum vault heights. Gymnasts may vault higher if they choose.
- See also General Vault Notes No. 1.12 on page 3 and the Voluntary Vault Deductions No. 1.13 on page 4.**

2.7. DEDUCTIONS AND NOTES FOR PREMIER SET FLOOR

1. The routine to be performed along a strip of mat approximately 2m wide.
2. **There will be a deduction of 0.1 for stepping off the strip (each time).**
3. Gymnasts are allowed to start from either end of the strip.
4. Missing elements – deduct the value of the move **and elements performed in the incorrect order – deduct 0.5.**
5. Attempted moves will receive a deduction on execution only i.e. Handstand forward roll, falls backwards to feet or if the bonus in the backward roll is attempted and the handstand falls backwards - deduct 0.5. See Notes below.
6. There will be a deduction of 0.3 for a small prompt from coaches, gymnasts **or others** and a deduction of 0.5 for a large prompt. Up to a maximum total of 1.0.
7. Each gymnast must present to the judges at the start and at the finish of the routine. Deduction 0.1 each time.
8. **All Set Floor deductions will be judged as: Small = 0.1, Medium = 0.3, Large = 0.5 or Major = 1.0.**
9. **A fall is a deduction of 1.0 but only when the gymnast falls over completely. A touch of the floor i.e. with a hand or foot is 0.1 or 0.3. Adjustment/loss of control when entering a balance e.g. V-sit or shoulder stand 0.3 or 0.5.**
10. In a number of cases the position of the arms is specified. When not specified, the arms should be simple and in keeping with the agilities and not flamboyant and/or distracting between moves. Any extra steps, shuffles, bounces, 'flowery' arm or body movements which deviate from the text are deductible 0.1 - 0.3 each time.
11. **See also General Competition Deductions 1.11 on page 3.**

NOTES FOR COACHES AND JUDGES FOR BOTH SET FLOORS:

Handstand forward roll split jump:

- There is no voluntary step into the start of the handstand. From standing the leg is lifted immediately into the move. If the lifted foot touches the floor again before stepping into the lunge for the handstand, deduct 0.3.
- If the gymnast performs the handstand forward roll but omits the split jump, deduct 0.7
- If the gymnast performs the forward roll split jump but omits the handstand, deduct 0.7
- If the handstand falls back down to the feet, i.e. no roll deduct 0.5. The gymnast must then perform a forward roll immediate split jump. **If the handstand is repeated, deduct 0.3.**
- It is a move that must be linked and the forward roll is the linking factor. If there is no forward roll before the split jump then the whole value of the move is forfeited 1.4
- The split jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the split jump, the jump has not begun out of the roll and will therefore incur deductions. There should be only one arm movement or swing, finishing with the arms diagonally high above the head.

NOTES FOR UNDER 9, 10 & 11 SET FLOOR:

Backward Roll: The gymnast may perform a backward roll with straight legs and she may put her hands down to touch on the floor and then put them by her ears on the floor with no deduction (i.e. 2 touches in the roll). A bonus will be given for keeping the legs straight throughout but there is no bonus available for touching only once.

A backward roll can be performed from standing or from a crouched position. Either is acceptable. If the roll is performed from crouch then the roll is on the back with hands going on the floor only once behind the head in order to achieve the push up to finish in straddle stand. Performed from standing it may be performed with hands at the side or with an upward arm swing. From here it may drop straight to sit and backward roll or the hands may be placed briefly on the floor to gain control and then be placed behind the head to push from the floor. Both are acceptable and should not be penalised in any way. It is not a fall.

Forward Horizontal Leg Balance: The gymnast should slide the foot forward to point the toe. The foot **must not** be lifted off the floor before pointing the toe, **deduct 0.3.** Alternatively the free leg may be lifted immediately into the balance position.

Forward roll, immediate 360° high straight jump: The high straight jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the 360° high straight jump, the jump has not begun out of the roll and will therefore incur deductions. If the gymnast performs the forward roll but omits the 360° high straight jump, deduct 0.7. There should be only one arm movement or swing.

NOTES FOR UNDER 13, 15 & OVER 13 SET FLOOR:

Backward Roll to front support:

The backward roll may be performed with bent or straight legs. If legs are kept straight, the gymnast may put hands down to touch on the floor and then put them by ears on the floor with no deduction. (i.e. 2 touches in the roll). A bonus will be given for keeping the arms straight throughout but there is no bonus available for touching only once.

Round off jump 180° to land on one foot, into a cartwheel ¼ turn inwards to lunge: **The arms should be by the ears on landing in the lunge. They are then pulled back to a high V position. At the same time the chest is pulled back to an upright position but the legs remain in a lunge with the front knee bent at 135° and the back leg straight.**

- d) Two vaults to be performed from the list below. **Each vault has a different tariff.** The vaults may be the same or different. Coaches may request gymnast's first vault score, before the second vault is taken.
- e) **Only the vaults indicated below may be performed. Any other vault will be a void vault.**
- f) Judges will add up any deductions made and then take this figure away from the tariff of the vault i.e. in a straddle vault the deductions would be deducted from 9.50 to give a final score. The higher score will count.

- Gymnasts are allowed to start at either end of the strip.
- Missing elements – deduct the value of the move **and elements performed in the incorrect order – deduct 0.5.**

NOTES FOR UNDER 9, 10 & 11 CHALLENGE SET FLOOR

This routine has been designed as a 'development' floor routine towards the 5 Piece Premier National Championships set floor. The basic routine is marked out of 9.00. There are ten bonuses worth 0.1 each for the gymnasts to work towards. The bonus moves gradually bring the gymnast closer in line with the 5 Piece Premier National routine.

The gymnast should walk on and off the floor area with good posture and 'Present' to the judge making eye contact.

1. Stand and show good upright posture with tension for 3 seconds.

2. Lower to show a squat position with a straight back and arms stretched out in front. Forward roll showing straight legs, before tucking them into an immediate straight jump. Ensure that the head is tucked under and that the roll is on the shoulders, not the head. The jump starts as the gymnast is coming out of the roll. There should be only one arm movement or swing from roll to jump. Finish stretched with arms diagonally high and feet together.

Bonus 1: Do not lower to a squat position but show an upright straight position with arms stretched above head before lifting into a good shaped handstand forward roll into an immediate straight jump. The jump starts as the gymnast is coming out of the roll. See notes for coaches and judges on page 13.

Bonus 2: For height in the straight jump.

3. Step forward into a 360° spin on toes. Free leg high with toe to knee, finishing in front with foot turned out. Back foot pointed behind on the floor (pose). Arms optional in spin, but should finish diagonally high.

Bonus: The free leg must, after the spin, extend out to at least 60° in front of the gymnast and then be lowered with control to the floor.

4. Join the back foot to the front foot. Step and lift leg into cartwheel finishing sideways, feet apart and arms diagonally high.

Bonus: A jump hurdle step with lunge into cartwheel. From standing with arms above head, bend knees and swing arms down and slightly behind body. Jump forwards, swinging arms forwards and landing on one foot and then the second foot in front of the first, in a lunge with upper body leaning slightly forward with arms covering the ears. The front foot is the foot that the gymnast does a cartwheel on. Finish sideways with feet apart and arms diagonally high.

5. Rise up on toes, ¼ turn backwards on toes to face the way the gymnast has just come. Join back foot to front foot whilst still on toes, only then lower the heels. The turn must show control and body extension and tension throughout. The arms stay diagonally high throughout the turn.

6. Lower arms to shoulder height and out to the side. Lift a bent leg forward to horizontal making a right angle – chair balance. Hold for 3 seconds. Then take the held leg down below the hips and straighten it at the back into an upright arabesque balance with both legs straight. The leg need only be raised to 45° at the back. Hold for 3 seconds then lower to join feet. Arms stay out to the side throughout. The chest and head remain upright in the chair and the arabesque balance positions. The supporting leg should remain straight throughout both balances. The foot of the raised leg should not touch the floor during the move – 0.3 deduction.

Bonus: For a horizontal straight leg lifted in front to at least 90° and held for 3 seconds instead of the chair lift balance. This leg should then be lowered at the front and taken out sideways to keep it straight whilst taking it to the back.

7. Cartwheel ¼ turn inwards, landing feet together and then star jump. Should show good shape, height and slight dish shape in the star jump.

Bonus 1: A jump hurdle step with lunge into round off is performed instead of a cartwheel. From standing with arms above head, bend knees and swing arms down and slightly behind body. Jump forwards, swinging arms forwards and landing on one foot and then the second foot in front of the first, in a lunge with upper body leaning slightly forward with arms covering the ears. The front foot is the foot that the gymnast does a round off from.

Bonus 2: If the star jump is immediately after the cartwheel or the round off.

8. From standing, lower to a squat **position placing hands by ears, palms up** and **backward roll with a bent leg entry to straddle stand**. The roll is on the back with hands going on the floor behind the head. **Aim to push hard on the hands to raise the hips as high as possible. Finish in a stretched position, feet apart and arms diagonally high. If the roll is unsuccessful, deduct 0.5. The roll must not be repeated but the straddle position with arms diagonally high must be shown.** See notes for coaches and judges on page 13.

Bonus: From standing, **straight legs** to be used throughout the backward roll.

9. From feet apart, jump feet together and immediate **forward roll** followed by an **immediate 180° high straight jump**. Ensure that the head is tucked under and that the roll is on the shoulders, not the head. The jump starts as the gymnast is coming out of the roll. There should be only one arm movement or swing from roll to jump. See notes for coaches and judges on page 13.

Bonus 1: For an immediate **360° high straight jump** instead of the 180° high straight jump.

Bonus 2: For a **secure landing** after the 180° or 360° high straight jump.

NOTES FOR COACHES AND JUDGES FOR UNDER 9, 10 & 11 CHALLENGE SET FLOOR

Forward roll straight jump:

- If the gymnast performs the forward roll but omits the straight jump, deduct 0.7
- If the handstand bonus is attempted but falls back down to the feet, i.e. no roll deduct 0.5. The gymnast must then perform a forward roll immediate straight jump. **If the handstand is repeated, deduct 0.3.**
- It is a move that must be linked and the forward roll is the linking factor. If there is no forward roll before the straight jump then the whole value of the move is forfeited 1.4
- The straight jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the straight jump, the jump has not begun out of the roll and will incur deductions. There should be only one arm movement or swing, finishing with the arms diagonally high above the head.

Backward Roll:

- This is performed from a squat position with bent legs. The roll is on the back with hands going on the floor only once behind the head in order to achieve the push up to finish in straddle stand. **The bonus** starts from a standing position and legs must be kept straight throughout the roll. It may start with hands at the side or with an upward arm swing. From here it may drop straight to sit and backward roll or the hands may be placed briefly on the floor to gain control and then be placed behind the head to push from the floor. Both are acceptable and should not be penalised in any way. It is not a fall.
- If the backward roll is unsuccessful, deduct 0.5. The roll must not be repeated but the stretched straddle stand position with feet apart and arms diagonally high must be shown. If the roll is repeated deduct 0.3.
- **The backward roll must not go up to handstand. Deduct 0.1.**

Forward roll, immediate 180° high straight jump:

- The high straight jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the 180° (or 360° for the bonus) high straight jump, the jump has not begun out of the roll and will therefore incur deductions.
- If the gymnast performs the forward roll but omits the 180° high straight jump, deduct 0.7.
- There should be only one arm movement or swing. Deduct 0.1 – 0.3.

NOTES FOR COACHES AND JUDGES FOR UNDER 13, 15 & OVER 13 CHALLENGE SET FLOOR

This routine has been designed as a 'development' floor routine towards the 5 Piece Premier National Championships set floor. The basic routine is marked out of 9.00. There are ten bonuses worth 0.1 each for the gymnasts to work towards. The bonus moves gradually bring the gymnast closer in line with the 5 Piece Premier National routine.

Upright posture before the 360° Spin:

After presenting to the judge, the gymnast turns to face outwards before showing good upright posture for 3 seconds before stepping forward into a 360° spin. If attempting the bonus 540° spin, after presenting to the judge, the gymnast faces down the mats before showing good upright posture for 3 seconds before stepping forward into a 540° spin.

Backward Roll to front support:

The backward roll may be performed with bent or straight legs. If legs are kept straight, the gymnast may put hands down to touch on the floor and then put them by ears on the floor with no deduction. (i.e. 2 touches in the roll).

180° High and 360° straight jump:

The arms start down by side. There should be only one arm movement or swing from the side up to above the head in the jump. Arms are then brought down on the landing to finish low and out in front.

If attempting the bonus of squat in and immediate 180° jump there must also be only one arm movement or swing. Deduct 0.1 - 0.3. If attempting the bonus of shoulder stand immediate 360° jump there must also be only one arm movement or swing. Deduct 0.1 - 0.3.

Round off jump 180° to land on two feet. Cartwheel ¼ turn inwards to lunge: The arms should be by the ears on landing in the lunge. They are then pulled back to a high V position. At the same time the chest is pulled back to an upright position but the legs remain in a lunge with the front knee bent at 135° and the back leg straight.

Supported V-sit position:

A 0.1 bonus will be given for a free V-sit instead of a supported V-sit. A 0.2 bonus will be given for lifting from the dish position straight up into the free V-sit position, keeping legs straight throughout.

Handstand forward roll split jump:

- There is no voluntary step into the start of the handstand. From standing the leg is lifted immediately into the move. If the lifted foot touches the floor again before stepping into the lunge for the handstand, deduct 0.3.
- If the gymnast performs the handstand forward roll but omits the split jump, deduct 0.7.
- If the gymnast performs the forward roll split jump but omits the handstand, deduct 0.7.
- If the handstand falls back down to the feet, i.e. no roll deduct 0.5. The gymnast must then perform a forward roll immediate split jump. **If the handstand is repeated, deduct 0.3.**
- **It is a move that must be linked and the forward roll is the linking factor.** If there is no forward roll before the split jump then the whole value of the move is forfeited 1.4.
- The split jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the split jump, the jump has not begun out of the roll and will therefore incur deductions. There should be only one arm movement or swing, finishing with the arms diagonally high above the head.

NOTES FOR BOYS SET FLOOR

The gymnast should walk on and off the floor area with good posture and 'Present' to the judge making eye contact.

- Stand and show good upright posture with tension for 3 seconds.
- Step catleap, landing with feet apart, one foot **before and** in front of the other. Join feet together by bringing the back foot to front foot. Lift arms high in the air and lift the leading leg into a cartwheel finishing sideways with arms diagonally high. Keeping arms high, lift leading leg again into a second cartwheel finishing ¼ turn inwards to lunge to face the way the gymnast started. Finish with arms diagonally high.
Bonus 1: For the catleap landing on one foot and going immediately into the first cartwheel.
Bonus 2: For the first cartwheel going immediately into the second cartwheel i.e. landing on one foot, keeping arms high and then immediately reach into the second cartwheel **finishing ¼ turn inwards.**
- Close back foot to front foot. **Lower to show a squat position with a straight back and arms stretched out in front.** Forward roll showing straight legs, before tucking them in to an immediate straight jump. Ensure that the head is tucked under and that the roll is on the shoulders, not the head. **The jump starts as the gymnast is coming out of the roll. There should only be one arm movement or swing from roll to jump.** Finish stretched with arms diagonally high and feet together. See notes for coaches and judges on page 17.
Bonus 1: **Do not lower to a squat position but show an upright straight** position with arms stretched above head before lifting into a good shaped handstand forward roll into an immediate straight jump. **The jump starts as the gymnast is coming out of the roll.**
Bonus 2: For height in the straight jump.
- From standing, lower to a squat position and backward roll with bent leg entry to straddle stand. The roll is on the back with hands going on the floor behind the head. **Aim to push hard on the hands to raise the hips as high as possible.** Finish in a stretched position, feet apart and arms diagonally high above head. If the roll is unsuccessful, deduct 0.5. The roll must not be repeated - deduction 0.3. **But the stretched straddle position with feet apart and arms diagonally high must be shown.** See notes for coaches and judges on page 17.

Bonus: From standing, straight legs to be used throughout the backward roll. The gymnast can put his hands down to touch the floor and then put them by his ears on the floor with no deduction. (i.e. 2 touches in the roll).

5. Slide legs outwards and lower to straddle sit without bending knees. Hands are allowed to touch the floor between the legs when lowering body from straddle stand to straddle sit, if desired, without any deductions. Teddy bear roll (circle roll) 180° only. Arms start parallel to legs, hands should not hold legs. Legs must remain straight throughout the roll. Close legs to long sit with arms above head.
6. With arms high, stretch forwards into pike fold, with hands placed flat on the floor by the feet and hold for 3 seconds.
7. Sit up and lower back into a dish position with hands over thighs. Hold for 3 seconds with tension. Raise arms above head before turning over.
Bonus: Dish position with arms by ears. Instead of placing hands on thighs, take arms upwards and backwards so that the **ears are covered** by the arms. The back must remain flat on the floor. Hold for 3 seconds with tension.
8. Turn over to show an arch position without allowing feet, arms or head to touch the floor. Keep the arms covering the ears during the turn into the arch position. Hold the arch shape for 3 seconds with tension. Lower the arms and legs to the floor and push up into a front support position with the toes turned under **and hold for 3 seconds**. Jump to squat and balance for 3 seconds showing a straight back and arms **stretched out in front**.
Bonus: Push up to front support with a straight body.
9. Reach forward into a tucked headstand. The body should remain tucked and show a straight back. Hold for 3 seconds. Feet should leave the floor together and return to the floor together and into a squat position. Do not roll over forwards (deduction 0.5).
Bonus: For straight legs **lifting to** headstand i.e. pike levered up to vertical. Hold for 3 seconds and return to squat position.
10. From squat position, open knees outwards and place hands on the floor. Press legs into elbows, lean forwards slightly and take feet off the floor into a frog balance. Thumbs must be facing forwards in the same direction as the fingers and not facing backwards (deduction 0.3). Hold for 3 seconds. Return to feet and stand with arms diagonally high above head.
11. **Take arms down to the side**. Step forward to join the feet together and into a tuck jump. Arms swing upwards and forwards, knees towards chest, back straight, finish move with arms above head. Step forward to join the feet together again and into a 180° high straight jump. Arms swing down then up above head during the jump and finish diagonally high.
Bonus 1: For a 360° high straight jump instead of the 180° jump.
Bonus 2: For a secure landing after the 180° or 360° high straight jump.

NOTES FOR COACHES AND JUDGES FOR BOYS SET FLOOR:

Forward roll straight jump:

- If the gymnast performs the forward roll but omits the straight jump, deduct 0.6
- If the bonus handstand forward roll is attempted but the straight jump is omitted, deduct 0.6
- If the bonus handstand is attempted but falls back down to the feet, i.e. no roll deduct 0.5. The gymnast must then perform a forward roll immediate straight jump. If the handstand is repeated, deduct 0.3
- It is a move that must be linked and the forward roll is the linking factor. If there is no forward roll before the straight jump then the whole value of the move is forfeited 1.2
- The straight jump is immediate and starts as the gymnast is coming out of the roll. If the gymnast finishes the roll in a standing position before starting to execute the straight jump, the jump has not begun out of the roll. Deduct 0.1 - 0.3. There should be only one arm movement or swing, deduct 0.1 - 0.3. Finishing with the arms diagonally high above the head.

Backward Roll:

- This is performed from a squat position with bent legs. The roll is on the back with hands going on the floor only once behind the head in order to achieve the push up to finish in straddle stand. **The bonus** starts from a standing position and legs must be kept straight throughout the roll. It may start with hands at the side or with an upward arm swing. From here it may drop straight to sit and backward roll or the hands may be placed briefly on the floor to gain control and then be placed behind the head to push from the floor. Both are acceptable and should not be penalised in any way. It is not a fall.
- If the backward roll is unsuccessful, deduct 0.5. The roll must not be repeated but the stretched straddle stand position with feet apart and arms diagonally high must be shown. If the roll is repeated deduct 0.3.
